

W06 Assignment: Rafting Site – Home and Trips Pages

Start Assignment

- Due Sunday by 12:59am
- Points 100
- Submitting a website url
- Attempts 0
- Allowed Attempts 3
- Available until Oct 16 at 12:59am

Instructions

1. Complete the [W06 Project: Rafting Site](https://byui-cse.github.io/wdd130-ww-course/week06/prove-rafting.html)  (<https://byui-cse.github.io/wdd130-ww-course/week06/prove-rafting.html>).
2. Submit the GitHub URL to your rafting project website landing page (index.html).

Example URL:

```
https://your-username.github.io/wdd130/wwr/
```

The URL looks for index.html by default. Note that you do not need to reference the index.html file.

W06 Assignment: Rafting Site – Home and Trips Pages

Criteria	Ratings				Pts
1. Naming Conventions	4 pts Complete All files and folders within the project follow naming conventions.	2 pts Partial Up to two (2) file or folder naming convention issues were found on the entire site.	0 pts Incomplete More than two (2) naming convention issues were found.		4 pts
2. HTML Validation	10 pts Complete The validation report at https://validator.w3.org/nu reports no errors. Check all pages.	8 pts Partial Up to two (2) HTML validation errors were found on all the pages of the site. Do not count duplicate errors even if found on another page.	5 pts Developing Three (3) to six (6) unique HTML validation errors were found on the site.	0 pts Incomplete More than six (6) unique HTML validation errors were found on the site.	10 pts
3. CSS Validation	10 pts Complete The validation report at https://jigsaw.w3.org/css-validator/ reports no errors. There should only be one css file for the entire project.	8 pts Partial Up to two (2) CSS validation errors were found on all the pages of the site. Do not count duplicate errors even if found on another page.	4 pts Developing Three (3) to six (6) unique CSS validation errors were found on the site or the student used more than one CSS file for the project.	0 pts Incomplete More than six (6) unique CSS validation errors were found on the site.	10 pts
4. Titles	4 pts Complete Each page title element has relevant content that is reflective of the page content and the website as a whole on all pages.	3 pts Partial Up to three (3) page title elements have relevant content.	2 pts Developing Up to two (2) page title elements have relevant content.	0 pts Incomplete More than two (2) pages lack relevant title element content.	4 pts

Criteria	Ratings				Pts
5. Descriptions	4 pts Complete Each page meta description element has relevant content that is reflective of the page content.	3 pts Partial Up to three (3) page meta descriptions have relevant content.	2 pts Developing Up to two (2) page meta description elements have relevant content.	0 pts Incomplete More than two (2) page meta descriptions are missing or are not relevant to the page.	4 pts
6. No color contrast errors	4 pts Complete There are no color contrast errors. Check all pages using CSS Overview in DevTools.	3 pts Partial One (1) color contrast error was found on the site.	0 pts Incomplete More than one color contrast error was found on the site.		4 pts
7. Home: Hero	3 pts Complete A full page width image is used that fits the content and is visually appealing.	2 pts Partial A full page width image is used but is not visually appealing in its layout or use.	0 pts Incomplete The image is missing or not full page width.		3 pts
8. Home: Hero Heading	3 pts Complete A heading message is found on or near the hero image and is visually appealing.	0 pts Incomplete The heading message is missing or incomplete.			3 pts
9. Home: Newsletter	5 pts Complete A newsletter signup form with a name and email input with associate labels and name attributes and id attributes along with a signup button that does not just say "submit"	3 pts Partial The signup form exists but it is missing an element or is not visually appealing.	0 pts Incomplete The form is incomplete and missing more than one element or is missing an element and is not visually appealing.		5 pts
10. Home: Call to Action	3 pts Complete	0 pts Incomplete The call to action is missing or incomplete.			3 pts

Criteria	Ratings			Pts
11. Home: Grid Content	5 pts Complete A call to action is used on the page and is readable and links to the trips.html page. The home page has a content piece that has a least two additional images and corresponding content about the white water rafting company purpose and offerings and uses CSS Grid for layout.	3 pts Partial The home page has additional content but does not use CSS grid for the layout.	0 pts Incomplete The home page is missing the additional content or is incomplete.	5 pts
12. Home: Content Layout	10 pts Complete Full credit consideration requires a layout that is beyond a simple, single column layout, is visually appealing, and adheres to design principles of ease of use, uniform alignment, proximity of components, and use of white space.	5 pts Partial The layout may be beyond a single column structure but the page lacks uniformity of design, alignment, and proximity between components.	0 pts Incomplete The layout is a simple, single column layout or is completely not consistent nor uniform in design.	10 pts
13. Home: Common Content	3 pts Complete The home page has a common header, navigation, and footer as the other pages.	0 pts Incomplete The home page does not have a common header, navigation, or footer.		3 pts
14. Trips: Call to Action	3 pts Complete A call to action button is used on the trips page and is readable and links to the contact page.	0 pts Incomplete The call to action button is missing on the trips page or incomplete.		3 pts
15. Trips: Content	4 pts Complete A least three trip details are provided with photos	0 pts Incomplete The trips description details and photos are missing or incomplete.		4 pts
16. Trips: Table	4 pts Complete	0 pts Incomplete		4 pts

Criteria	Ratings			Pts
Summary	A table summarizing the trip information is provided		The trips table is missing or incomplete.	
17. Trips: Page Design	10 pts Complete Full credit consideration requires a layout that is beyond a simple, single column layout, is visually appealing, and adheres to design principles of ease of use, uniform alignment, proximity of components, and use of white space.	5 pts Partial The layout may be more than just a single column structure but the page lacks uniformity of design, alignment, and proximity between components.	0 pts Incomplete The layout is a simple, single column layout.	10 pts
18. Trips: Common Content	3 pts Complete The trips page has a common header, navigation, and footer as the other pages.		0 pts Incomplete The trips page does not have a common header, navigation, or footer.	3 pts
19. Page Size/Weight	8 pts Complete All pages do not exceed the 500 kB transferred size as reported by DevTools Network in an empty cache reload. The focus here is that images have been optimized and that no outside library/framework is used.	4 pts Partial 1 or 2 pages exceed the 500 kB transfer size limit.	0 pts Incomplete More than 2 pages exceed the page size limit.	8 pts
Total Points: 100
